International Journal of Engineering Inventions

CERTIFICATE

It is certify that the paper entitled by **"Hydromagnetic squeeze film between conducting transversely rough curved circular plates lying along the surfaces determined by exponential and hyperbolic functions"** is accepted for further publication in **International Journal of Engineering Inventions (IJEI)**.

Paper has published with following details:

Authors Name   : **G. M. Deheri**

Journal Name   : International Journal of Engineering Inventions (IJEI)

Journal URL   : www.ijeijournal.com

Review Type   : Peer Reviewed Journal

Publication Type   : Online & Print both

ISSN No.   : 2278-7461 (Online) ; 2319-6491 (Print)

Vol No.   : 11

Issue No.   : 12 (December 2022)
