International Journal of Engineering Inventions

CERTIFICATE

It is certify that the paper entitled by **"IoT based Door Access Control System using ESP32cam"** is accepted for further publication in **International Journal of Engineering Inventions (IJEI)**.

Paper has published with following details:

IJEI

International Journal of Engineering Inventions

<u>CERTIFICATE</u>

It is certify that the paper entitled by **"IoT based Door Access Control System using ESP32cam"** is accepted for further publication in **International Journal of Engineering Inventions (IJEI)**.

Paper has published with following details:

Authors Name   : **A Navya**

Journal Name   : International Journal of Engineering Inventions (IJEI)

Journal URL   : www.ijeijournal.com

Review Type   : Peer Reviewed Journal

Publication Type   : Online & Print both

ISSN No.   : 2278-7461 (Online) ; 2319-6491 (Print)

Vol No.   : 11

Issue No.   : 12 (December 2022)

International Journal of Engineering Inventions

CERTIFICATE

It is certify that the paper entitled by **"IoT based Door Access Control System using ESP32cam"** is accepted for further publication in **International Journal of Engineering Inventions (IJEI)**.

Paper has published with following details:

Authors Name   : **N Koteswaramma**

Journal Name   : International Journal of Engineering Inventions (IJEI)

Journal URL   : www.ijeijournal.com

Review Type   : Peer Reviewed Journal

Publication Type   : Online & Print both

ISSN No.   : 2278-7461 (Online) ; 2319-6491 (Print)

Vol No.   : 11

Issue No.   : 12 (December 2022)
