

The Peer-reviewed International Journal

International Journal of Engineering Inventions

CERTIFICATE

It is certify that the paper entitled by "Evaluation of the Influence of Eccentricity on Cam Surface Pressure in a Sharp-Edged Cam-Follower Mechanism" is accepted for further publication in **International Journal of Engineering Inventions (IJEI)**.

Paper has published with following details:

Authors Name : **Nguyen Quang Hung**
Journal Name : International Journal of Engineering Inventions (IJEI)
Journal URL : www.ijeijournal.com
Review Type : Peer Reviewed Journal
Publication Type : Online & Print both
ISSN No. : 2278-7461 (Online) ; 2319-6491 (Print)
Vol No. : 14
Issue No. : 05 (May 2025)
