CERTIFICATE

It is certify that the paper entitled by "**A Novel Image-Based Automatic Waste Classification System Using YOLOv11**" is accepted for further publication in **International Journal of Engineering Inventions (IJEI)**.

Paper has published with following details:

International Journal of Engineering Inventions

CERTIFICATE

It is certify that the paper entitled by "**A Novel Image-Based Automatic Waste Classification System Using YOLOv11**" is accepted for further publication in **International Journal of Engineering Inventions (IJEI)**.

CERTIFICATE

It is certify that the paper entitled by "**A Novel Image-Based Automatic Waste Classification System Using YOLOv11**" is accepted for further publication in **International Journal of Engineering Inventions (IJEI)**.

Paper has published with following details:

Authors Name   : **Minh-The Do**

Journal Name   : International Journal of Engineering Inventions (IJEI)

Journal URL   : www.ijeijournal.com

Review Type   : Peer Reviewed Journal

Publication Type   : Online & Print both

ISSN No.   : 2278-7461 (Online) ; 2319-6491 (Print)

Vol No.   : 15

Issue No.   : 01 (January 2026)

International Journal of Engineering Inventions

CERTIFICATE

It is certify that the paper entitled by "**A Novel Image-Based Automatic Waste Classification System Using YOLOv11**" is accepted for further publication in **International Journal of Engineering Inventions (IJEI)**.

Paper has published with following details:

Authors Name   : **Duc-Hieu Nguyen**

Journal Name   : International Journal of Engineering Inventions (IJEI)

Journal URL   : www.ijeijournal.com

Review Type   : Peer Reviewed Journal

Publication Type   : Online & Print both

ISSN No.   : 2278-7461 (Online) ; 2319-6491 (Print)

Vol No.   : 15

Issue No.   : 01 (January 2026)
