The Peer-reviewed International Journal

International Journal of Engineering Inventions

CERTIFICATE

It is certify that the paper entitled by **"Modelling Count Data with Over-Dispersion Using Double Poisson and Zero-Inflated Poisson Regressions Models with Application to Neo-Natal Mortality"** is accepted for further publication in **International Journal of Engineering Inventions (IJEI)**.

Paper has published with following details:

Authors Name : **Mustapha Muhammad Lamido**

Journal Name : International Journal of Engineering Inventions (IJEI)

Journal URL : www.ijeijournal.com

Review Type : Peer Reviewed Journal

Publication Type : Online & Print both

ISSN No. : 2278-7461 (Online) ; 2319-6491 (Print)

Vol No. : 15

Issue No. : 11 (November 2026)
