

International Journal of Engineering Inventions

CERTIFICATE

It is certify that the paper entitled by "Solvent-free single-step synthesis of coumarins using heterogeneous recyclable FeCl3/MCM41 catalyst" is accepted for further publication in International Journal of Engineering Inventions (IJEI).

Paper has published with following details:

Authors Name : Deepa Dumbre

Journal Name : International Journal of Engineering Inventions (IJEI)

Journal URL : www.ijeijournal.com

Review Type : Peer Reviewed Journal

Publication Type : Online & Print both

ISSN No. : 2278-7461 (Online); 2319-6491 (Print)

Vol No. : 12

Issue No. : 12 (December 2023)

Editor-In-Chief International Journal of Engineering Inventions (IJEI) www.ijeijournal.com Mail id: ijei@editormails.com
