

CERTIFICATE

It is certify that the paper entitled by "Dynamics Equations of Power & Force on Wind Speed and Pitch Angle Parameters of Wind Turbine Blades" is accepted for further publication in International Journal of Engineering Inventions (IJEI).

Paper has published with following details:

Authors Name : Run Xu

Journal Name : International Journal of Engineering Inventions (IJEI)

Journal URL : www.ijeijournal.com

Review Type : Peer Reviewed Journal

Publication Type : Online & Print both

ISSN No. : 2278-7461 (Online); 2319-6491 (Print)

Vol No. : 12

Issue No. : 06 (June 2023)

CERTIFICATE

It is certify that the paper entitled by "Dynamics Equations of Power & Force on Wind Speed and Pitch Angle Parameters of Wind Turbine Blades" is accepted for further publication in International Journal of Engineering Inventions (IJEI).

Paper has published with following details:

Authors Name : Liu Jiaguang

Journal Name : International Journal of Engineering Inventions (IJEI)

Journal URL : www.ijeijournal.com

Review Type : Peer Reviewed Journal

Publication Type : Online & Print both

ISSN No. : 2278-7461 (Online); 2319-6491 (Print)

Vol No. : 12

Issue No. : 06 (June 2023)

CERTIFICATE

It is certify that the paper entitled by "Dynamics Equations of Power & Force on Wind Speed and Pitch Angle Parameters of Wind Turbine Blades" is accepted for further publication in International Journal of Engineering Inventions (IJEI).

Paper has published with following details:

Authors Name : Sangshik Kim

Journal Name : International Journal of Engineering Inventions (IJEI)

Journal URL : www.ijeijournal.com

Review Type : Peer Reviewed Journal

Publication Type : Online & Print both

ISSN No. : 2278-7461 (Online); 2319-6491 (Print)

Vol No. : 12

Issue No. : 06 (June 2023)

CERTIFICATE

It is certify that the paper entitled by "Dynamics Equations of Power & Force on Wind Speed and Pitch Angle Parameters of Wind Turbine Blades" is accepted for further publication in International Journal of Engineering Inventions (IJEI).

Paper has published with following details:

Authors Name : JaeBok Seol

Journal Name : International Journal of Engineering Inventions (IJEI)

Journal URL : www.ijeijournal.com

Review Type : Peer Reviewed Journal

Publication Type : Online & Print both

ISSN No. : 2278-7461 (Online); 2319-6491 (Print)

Vol No. : 12

Issue No. : 06 (June 2023)

CERTIFICATE

It is certify that the paper entitled by "Dynamics Equations of Power & Force on Wind Speed and Pitch Angle Parameters of Wind Turbine Blades" is accepted for further publication in International Journal of Engineering Inventions (IJEI).

Paper has published with following details:

Authors Name : **Jaekyung Sung**

Journal Name : International Journal of Engineering Inventions (IJEI)

Journal URL : www.ijeijournal.com

Review Type : Peer Reviewed Journal

Publication Type : Online & Print both

ISSN No. : 2278-7461 (Online); 2319-6491 (Print)

Vol No. : 12

Issue No. : 06 (June 2023)

CERTIFICATE

It is certify that the paper entitled by "Dynamics Equations of Power & Force on Wind Speed and Pitch Angle Parameters of Wind Turbine Blades" is accepted for further publication in International Journal of Engineering Inventions (IJEI).

Paper has published with following details:

Authors Name : Taehyeon Nam

Journal Name : International Journal of Engineering Inventions (IJEI)

Journal URL : www.ijeijournal.com

Review Type : Peer Reviewed Journal

Publication Type : Online & Print both

ISSN No. : 2278-7461 (Online); 2319-6491 (Print)

Vol No. : 12

Issue No. : 06 (June 2023)

CERTIFICATE

It is certify that the paper entitled by "Dynamics Equations of Power & Force on Wind Speed and Pitch Angle Parameters of Wind Turbine Blades" is accepted for further publication in International Journal of Engineering Inventions (IJEI).

Paper has published with following details:

Authors Name : **HyoJun Ahn**

Journal Name : International Journal of Engineering Inventions (IJEI)

Journal URL : www.ijeijournal.com

Review Type : Peer Reviewed Journal

Publication Type : Online & Print both

ISSN No. : 2278-7461 (Online); 2319-6491 (Print)

Vol No. : 12

Issue No. : 06 (June 2023)
