International Journal of Engineering Inventions

CERTIFICATE

It is certify that the paper entitled by “**Scenario-Based Evaluation of Speed-Governor Control Strategies for Hydropower Turbine-Generator Systems under Load Disturbances and Hydromechanical Uncertainty**” is accepted for further publication in **International Journal of Engineering Inventions (IJEI)**.

Paper has published with following details:

Authors Name : **Nguyen Duy Trung**
Journal Name : International Journal of Engineering Inventions (IJEI)
Journal URL : www.ijeijournal.com
Review Type : Peer Reviewed Journal
Publication Type : Online & Print both
ISSN No. : 2278-7461 (Online) ; 2319-6491 (Print)
Vol No. : 15
